

~ RULES OF PLAY ~

USGA Rules of Golf govern all play except where modified by the following local rules:

- **Complete relief from the flowering bed areas, cart paths, staked trees & irrigation control boxes.**
- **Out of Bounds** ~ Is defined by white stakes. Public Roads on holes #1, 10, 12 & 15 are considered out of bounds. A ball which crosses a public road and comes to rest beyond that road is out of bounds.
- **Water / Lateral Hazards** ~ Defined by red/yellow lines and/or stakes.
- **Lateral Water Hazard** ~ Holes #9, 10 & 11 marked with red stakes and right side of cart path defines the margin of the hazard.
- **Waste Bunkers** ~ The bunker over the 1st green, cart path on #6 & left off the 14th tee box should be played as a waste bunker.
- **Embedded Ball Rule** ~ Is in effect through the green as outlined in appendix 1 of the USGA Rules of Golf.
- **Fixed Sprinkler Heads** ~ All fixed sprinkler heads are immovable obstructions and relief from interference by them may be obtained under rule 24-2. In addition, if a ball lies off the putting green but not in a hazard and such an obstruction on or within 2 club lengths of the putting green and within 2 club lengths of the ball intervenes on the line of play between the ball and the hole, the player may take relief.
- **Bunker Liners** ~ When a players' stance or swing is affected due to interference from a bunker liner, the player is entitled to free relief and must drop from the nearest point of relief. If the ball is in the bunker it must be dropped in the bunker. Stones in bunkers are movable obstructions (rule 24-1 applies).
- **Ball Drop on #15** ~ Players are entitled to place the ball in the drop area designated by the white circle. Once the ball is placed it is deemed to be in play.
