

Southern Pines Golf Club

The magic of Donald Ross lives here at Southern Pines Golf Club. The natural Terrain that reveals each hole inspires the traditionalist and rewards the imaginative shot maker. All ability levels are entertained with the conditions. By matching the slopes of the putting surfaces with challenging green speeds, it demands pace as well as direction for the successful putt. Enjoy this time tested masterpiece that welcomes you and yours to Southern Pines Golf Club, "The longest 6000 yards in the Sandhills." - *Gold Staff*

"An ideal golf course is a test for both the expert and the everyday player; it is my goal to bring out of the player the best they have in them." - *Donald Ross*

A round that lasts more than four and one half hours does not follow Donald Ross' philosophy that "Golf should be a pleasure not a penance."
