Local Rules

A ball on putting green, other than that of hole being played, shall be dropped by the player on the fairway, not nearer the hole, without penalty. Otherwise U.S.G.A. rules apply.

Golf Etiquette

Do not move, talk or stand close to any player making a stroke. Never play until those in front are out of range or off the green. Do not remain on green to record score. Do not try putts again. Slow players and those looking for ball should allow others to pass through. A 2-ball match may pass through singles, 3-ball and 4-ball matches. Single players have no standing and must allow match to pass.

Privileges of the course will be withdrawn from players who do not replace turf cut in play and fill up holes made by play in bunkers.
